Empower Her Network DBA Empowered Network (EHN) launched its survivor-centered, trauma-informed program in 2017 to address a national gap in services identified by immediate aftercare providers: most trafficking survivors exhaust resources with systemic barriers standing in the way of a realistic economic alternative, putting them at high risk of further exploitation, experiencing homelessness, and/or remaining in the service cycle their entire lives. Empower Her Network collaborates with trafficking survivors over 12 to 18 months to achieve their economic freedom by removing housing barriers, providing advocacy, financing education, and uncovering career paths. Every survivor who achieves fiscal independence is in a much better position to protect their children, ending generational cycles of poverty and exploitation.

4 Describe the organization's program service accomplishments for each of its three largest program services, as measured by expenses. Section 501(c)(3) and 501(c)(4) organizations are required to report the amount of grants and allocations to others, the total expenses, and revenue, if any, for each program service reported.
